

List of equipment

Chill Room

Our main hall has a capacity of over 120 people according to the configuration. The hall is equipped with a bar and a 3-door fridge, a sound system, 8 double 18" JBL subs, and a Line Array 4 top double 10" amplified by a Crown Macro-Tech 5000vz and specially adapted for the hall.

Dans the objective of offering you the best performance for your event, the calibration and the

Ajustments have been optimized in accordance with the locations and compliance with noise regulations.

Noted that no change to the adjustments is possible, other than the adjustments requirements on mixers DJ. The system is equipped with protection, but requires a supervision to prevent un usage abusif and avoid heavy damage.

And Our organization requires a technician to establish the technical link.
We have a complete DJ set, Pioneer, 3x CDJ 3000 and DJM-000 mixer

A discotheque-style lighting system is at your disposal, including robots
, specialized fixtures and laser and fog machine.

The lighting is assisted by computer via the Onyx system.

A technician is necessary for a colorful evening with a visual that will enhance
any musical performance. A lighting technician will be provided with the rental of
the venue.
